

Greetings to fellow Staff and Beloved Students!

Regretfully, I will be unable to join you at the Lutheran High North reunion this June. A rare autoimmune disorder (polymyositis) has left me unable to enjoy life as fully as I would like. It was finally diagnosed in 2001, however I struggled with symptoms throughout my tenure at Lu Hi (1985-1991). At the time, I was told it was “fatigue syndrome”. The physical damage of a derange immune system has accumulated over time.

Please know that Lutheran High North was an answer to prayer for me at a difficult time in my life. I treasure the memories of my friends on staff, my precious students, and my years of service as Spanish and Art teacher. I recall them often with heartfelt nostalgia, and I wish I could be with you at the reunion.

May your lives be filled with Love, Joy, Peace, and God’s Grace.

With Love,

Katherine Jett
